

Certificate

GL Systems Certification herewith certifies, that the company

H. Butting GmbH & Co. KG

Gifhorner Straße 59, D-29379 Wittingen-Knesebeck

has established and maintains a Management System relevant for

Construction, fabrication and assembling of welded components (longitudinally welded pipes, components, pipe systems, vessels and parts of pressure vessels) in stainless steel, heat resistant and high temperature materials, e.g. high alloy steels, nickel-, copper-, aluminium- and titanium alloys as well as mechanically bonded or metallurgically clad raw materials.

GL Systems Certification confirms that the Management System of the above mentioned company has been assessed and found to be in accordance with the requirements of the following standard:

ISO 9001:2008

The validity of this certificate is subject to the company applying and maintaining its Management System in accordance with the standard indicated. This will be monitored by GL Systems Certification.

The certificate is valid from February 27, 2012 until February 09, 2015
